

Kendleshire Kids Foundation

Anti-bullying policy

The Kendleshire Kids Foundation will:

- recognise its duty of care and responsibility to safeguard all participants from harm
- promote and implement this anti-bullying policy in addition to our safeguarding policy and procedures
- seek to ensure that bullying behaviour is not accepted or condoned
- require all members of the [Kendleshire Kids Foundation](#) to be given information about, and sign up to, this policy
- take action to investigate and respond to any alleged incidents of bullying
- encourage and facilitate children and young people to play an active part in developing and adopting a code of conduct to address bullying
- ensure that paid staff, volunteers and trustees are given access to information, guidance and/or training on bullying.

Each participant, paid worker, volunteer or trustee will:

- respect every child's or young person's need for, and rights to, an environment where safety, security, praise, recognition and opportunity for taking responsibility are available
- respect the feelings and views of others
- recognise that everyone is important and that our differences make each of us special and should be valued
- show appreciation of others by acknowledging individual qualities, contributions and progress
- be committed to the early identification of bullying, and prompt and collective action to deal with it
- ensure safety by having rules and practices carefully explained and displayed for all to see
- report incidents of bullying they see – by doing nothing you are condoning bullying.

Support to the child or young person

- systems should be established to open the door to children and young people wishing to talk about bullying or any other issue that affects them
